

Job Title: Assistant/Associate Professor, Computer Science

Department: School of Business

Institution: North Central University

Application Deadline: May 15, 2017 or until the position is filled

Position Start Date: August 2017

Job categories: Assistant or Associate Professor

Job Description:

North Central University is a Christ-centered, Bible-based, Pentecostal school with a commitment to academic excellence that prepares students to fulfill biblical models of leadership and ministry throughout the world. A growing School of Business is seeking a faculty member with expertise in Computer Science. Duties include teaching four undergraduate courses per semester, advising and mentoring students, relevant departmental work, institutional committee work, relevant scholarly activity, and service. Salary commensurate with experience and qualifications.

Minimum Qualifications:

- An earned Master's Degree in Computer Science or equivalent experience
- Interest in completing a Ph.D. in Computer Science
- Strong interpersonal skills and the ability to work as a team member
- Excellent written and oral communication skills
- Committed to biblical integration in and out of the classroom
- Deep commitment to team development
- Effective pedagogical practices, with an ongoing willingness to grow and develop
- All full-time faculty members are expected to be a member of or willing to become a member of an Assemblies of God church.

Preferred Qualifications:

- At least five years of industry experience
- A terminal degree in Computer Science, Education Technology, or related field.

To Apply:

Interested parties may apply by sending a cover letter and curriculum vitae, statement of faith, philosophy of teaching, and integration of faith and learning through email to wetibbet@northcentral.edu or by mail to Professor Bill Tibbetts, Director, School of Business, North Central University, 910 Elliot Avenue, Minneapolis, MN 55404.
